On the Pond Lodge is located at Mactaquac, 21 kilometres / 13 miles North of Fredericton New Brunswick Canada.

We can be found by following the signs for Mactaquac Provincial Park. From Route 102 (the old highway) take Exit 268 (Mactaquac Exit). Proceed over the Dam, then follow the road left over the Causeway.

Half a kilometer (0.3 miles) from the causeway is an Esso service station. Turn right onto the road just before the service station (Route 615). Look for the sign to On the Pond just a few yards down the road on the right side.
